

TRANSFORM WITHOUT TRAVEL

Digital learning initiatives can change a company's corporate culture, improve employee engagement, & increase retention.

The program is designed for learners to collaborate & interact. Independent & small group activities provide a more intimate context for learning & gaining personal insights.

One of the big benefits of this program was meeting & learning from a diverse group of people in our organizations. The various perspectives & viewpoints everyone contributed have really helped me to see things differently."

This class has given me the ability to realize my weaknesses & given me a path to build my leadership skills through learning new strategies & growing through my team."

Through the use of self-assessments & feedback from peers & CCL certified moderator, participants gain a detailed picture of their personal strengths & challenges.

Participants receive personalized learning development. The Skill Tracker & Impact Meter tracks engagement with course material & other participants.

A very well structured, short & crisp leadership skills reinforcement learning to experienced leaders! **Certainly value for time & money!**"
